

MILLSBORO PUBLIC LIBRARY COMMUNITY INPUT QUESTIONNAIRE

Buck Simperts Architect + Associates (BSA+A) is working with the Millsboro Public Library (MPL) to establish relevant operational procedures and evaluate the current building functions.

As part of these tasks, we want to survey the community, to try to better understand what you think about the facility and the programs it offers. We have developed a number of questions for you to consider.

We have broken the survey into three parts. Please answer those questions that you feel comfortable answering. We appreciate your time and effort in helping the Millsboro Public Library better serve the community.
